

POWERFUL EDUCATOR

GRADE:
Administrators & Educators

LENGTH:
17 Lessons

COURSE DESCRIPTION

Powerful Educator is a blended-learning professional development course that equips educators with essential SEL competencies to build a positive school culture. Through this research-based, 17-lesson course, educators will learn how to drive academic success and support student well being.

This course was created in partnership with Mindset Works, an organization founded by world-renowned growth mindset researcher Dr. Carol Dweck. Featuring a mix of inspiring stories, videos, and lessons from Mawi Learning and Dr. Dweck, the course is convenient, flexible, and motivational. Districts can use it to support a professional learning community or structured professional development.
