

## Super Student Course Outline

Module 1: Believe				
Lesson #	Title	Summary	Key Concept(s)	Assignment(s)
1	You Are Super	ELL students can succeed and that includes YOU! Mawi's story and other success stories inspire us to overcome challenges and seek greatness. The Turbo Button is what we hit to gain power and the Victim Button takes away our power.	Mawi's story in Of Beetles and Angels, Turbo Button, Victim Button	Name an ELL influence and describe a time when you hit your Turbo Button.
2	Ask Strong Questions	Strong Questions act like a rudder to guide us towards action.	Strong Questions	Create Strong Questions for a scenario about a student and then Strong Questions for a scenario in your own life.
Module 2: See				
3	Go for Growth	We grow in life when we aim into our Not Yet Circle and stretch our Can Do circle. Our Explorer encourages growth, while our Judge shuts down growth.	Can Do/Not Yet Circle, Failure, Success, Judge, Explorer	Draw a Can Do/Not Yet Circle and discuss 3 ways you can grow your Can Do circle in a specific area.
4	Know the Game	Super Students understand the "game" of school. They create guides for each class and they understand how GPA works.	Class Guide, GPA, The Game	Create a Class Guide for one class.

**Module 3: Achieve**

Lesson #	Title	Summary	Key Concept(s)	Assignment(s)
5	Organize Your Life	Taking time to organize will save you time in the long run and increase your productivity.	Organization, Files	Take an area from your life or home and create a way for it to be better organized.
6	Shrink Your Stress	Everyone experiences stress; there are several strategies you can use to move from the red zone of stress to the green zone.	Stress strategies	Tell a friend three strategies they could use to lower their stress

**Module 4: Grow**

7	Grow Your Brain	The Growth Mindset focuses on effort that generates growth, while the Fixed Mindset believes talent rather than effort is all that matters.	Growth Mindset, Fixed Mindset,	Think of a challenging situation, the Fixed Mindset ideas that stop you and Growth Mindset ideas that will help you..
8	Grow Your Can Do	The way to really grow is to stretch into our Not Yet Circle in the areas of reading, writing, speaking and listening.	Can Do/Not Yet Circle, Growth Mindset,	Pick one of the 4 areas of English and create a Can Do/Not Yet circle and pick strategies to grow.

**Module 5: Fly**

9	Prepare for Tests	Tests are a normal part of life that we do not need to fear, because they are merely opportunities to challenges ourselves to grow.	Study Habits, Types of Tests	Write a paragraph how Super ELLs study in general and then write a specific study plan for a particular quiz or test.
10	Use Your Powers	As ELLs, we possess super powers, including knowing another language that allow us to fly.	Super Powers, Turbo, Victim, Growth Circle, Strong Questions, Judge, Explorer	Write a letter or create a PowerPoint on what it means to be Super ELL.
